Creative Leader scaling brand stories through Motion, Performance Ads & AI Video | AdTech · D2C · 7+ Yrs

PROFESSIONAL SUMMARY

I don't just make videos — I build creative systems that scale brands and drive performance. Over **7+ years** I've gone from animating motion graphics to leading design teams, managing **10,000+ video productions**, and crafting ad creatives for **global AdTech platforms** and a **Shark Tank-featured D2C brand**. I bring a rare combination of hands-on craft, operational scale, and strategic thinking — with active fluency in **AI video** tools now integrated into live campaigns.

WORK EXPERIENCE

Design Manager

Patch up (Shark Tank India Featured Brand)

Sep 2025 – Present

- ▶ **Team Leadership:** Lead and direct the design team end-to-end — setting creative standards, reviewing deliverables, and building a high-output culture aligned with business goals
- ▶ **Brand Strategy:** Drive full-funnel brand presence across Instagram, and e-commerce platforms, ensuring visual consistency at scale
- ▶ **Performance Campaigns:** Conceptualise and execute high-converting ad campaigns combining motion graphics, product storytelling, and performance creative principles
- ▶ **AI Integration:** Pioneer AI-generated video production in live marketing campaigns, reducing production time while scaling content volume and variety
- ▶ **Cross-functional Collaboration:** Partner with marketing, product, and leadership teams to align creative output directly with business KPIs

Assistant Design Manager

Affle (mediasmart – AdTech Platform)

Sep 2024 – Apr 2025

- ▶ **AdTech Branding:** Owned end-to-end visual identity for mediasmart, Affle's programmatic AdTech platform, across all client-facing and internal materials
- ▶ **Global Brand Creatives:** Produced performance-driven case study videos for international brands — **TCL, MG Motors, and Zuno** — translating campaign data into compelling visual narratives
- ▶ **Performance Mindset:** Developed creatives aligned with AdTech performance metrics, bridging data-driven marketing with premium design execution
- ▶ **Business Development Support:** Created pitch decks, brand assets, and video content supporting high-value client acquisition and retention

Motion Graphic Designer → Sr. Video Editor → Course Video Manager

Coding Ninjas (India's Leading EdTech Platform)

Aug 2018 – Jul 2024

5+ year growth journey — execution to leadership:

Course Video Manager (Aug 2023 – Jul 2024)

- ▶ **Scale Operations:** Managed a portfolio of **10,000+ course videos** — production, editing, QC, and upload workflows across a high-volume content pipeline

- ▶ **Systems Building:** Developed and implemented SOPs that standardised quality and reduced average turnaround time across the team
- ▶ **Stakeholder Management:** Coordinated with instructors, curriculum teams, and leadership to align video delivery with course launch timelines

Sr. Video Editor (Sep 2022 – Aug 2023)

- ▶ Elevated to senior role managing complex editing timelines, motion graphics integration, and team-level quality benchmarks
- ▶ Mentored junior editors on motion design, pacing, and brand standards; contributed to process improvements across the pipeline

Motion Graphic Designer (Aug 2018 – Sep 2022)

- ▶ Designed and animated motion graphics, title sequences, lower thirds, and visual explainers for thousands of EdTech course videos
- ▶ Built deep proficiency in After Effects and Premiere Pro in a high-output, deadline-driven production environment
